### DISCLAIMER

- Two people are recommended for the assembly of this product.
- Use hardware provided and tools recommended to avoid any product faults.
- Always assemble product on a clean soft surface to avoid scratching.

## STEP 1

Ensure all pins and cams are inserted in parts before assembling. Attach desk top **A** and left gable **C** as shown. Fasten pins and cams.

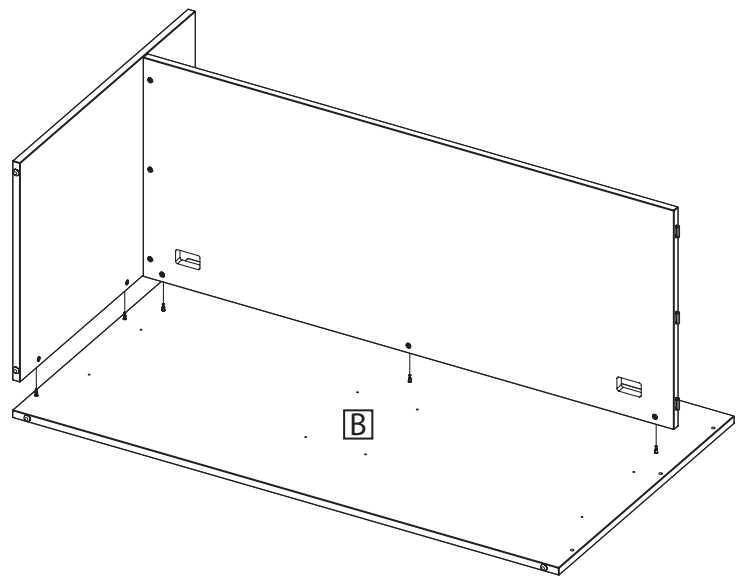

If desk is 84" + move to STEP 3.

## STEP 2

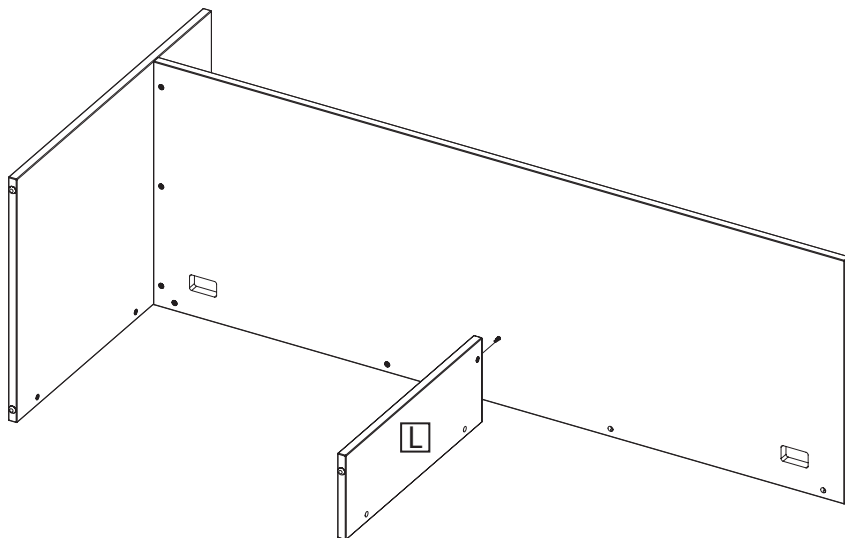

Lay desk back **B** flat and lower top and gable onto back as shown. Fasten pins and cams. Flip desk right side up.

Move to STEP 6.

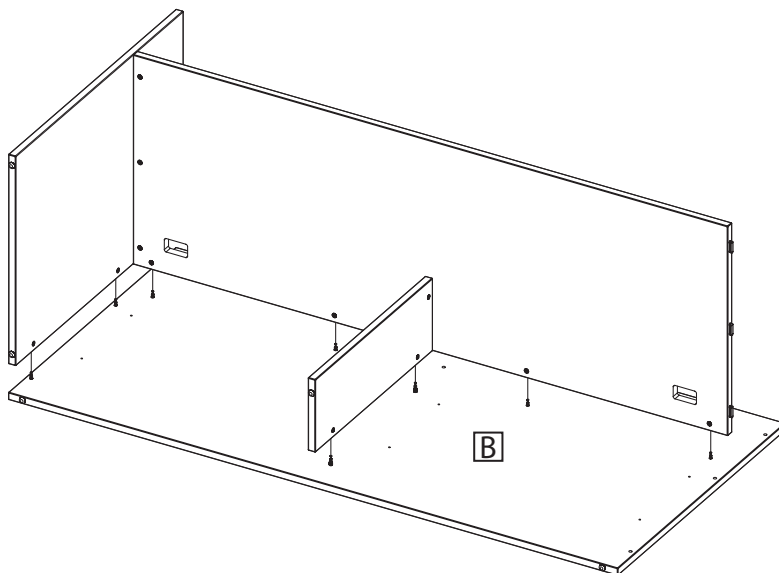

## STEP 3

If desk is 84" + attach desk support gable **L**  
Fasten pins and cams.

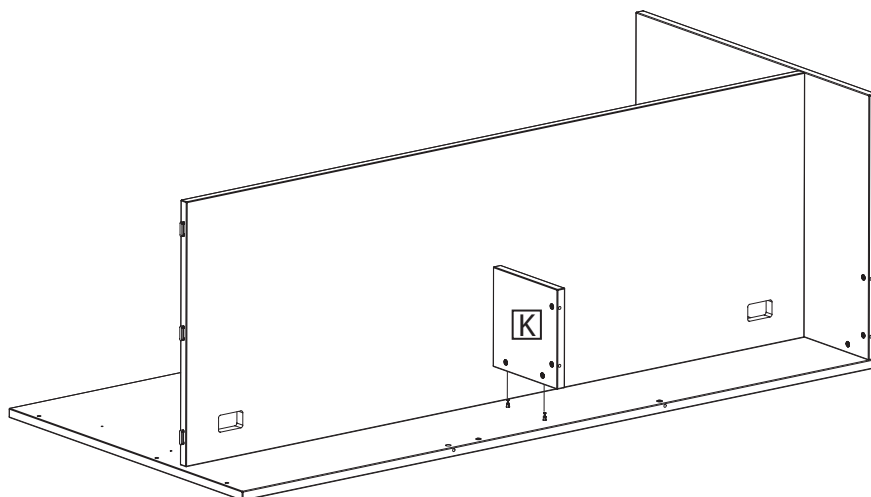

## STEP 4

Lay desk back **B** flat and lower top and gables onto back as shown. Fasten pins and cams. Flip desk right side up.

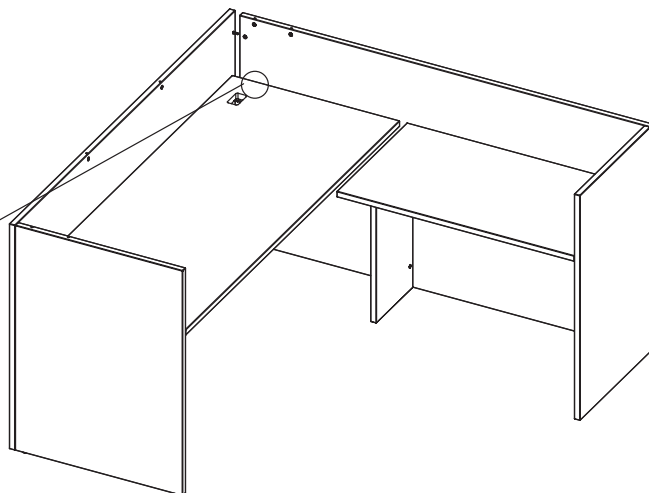

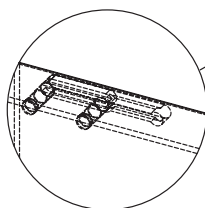

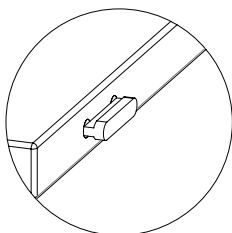

## STEP 5

If desk is 84" + , attach transaction ledge support **K** to desk back. Fasten pins and cams.

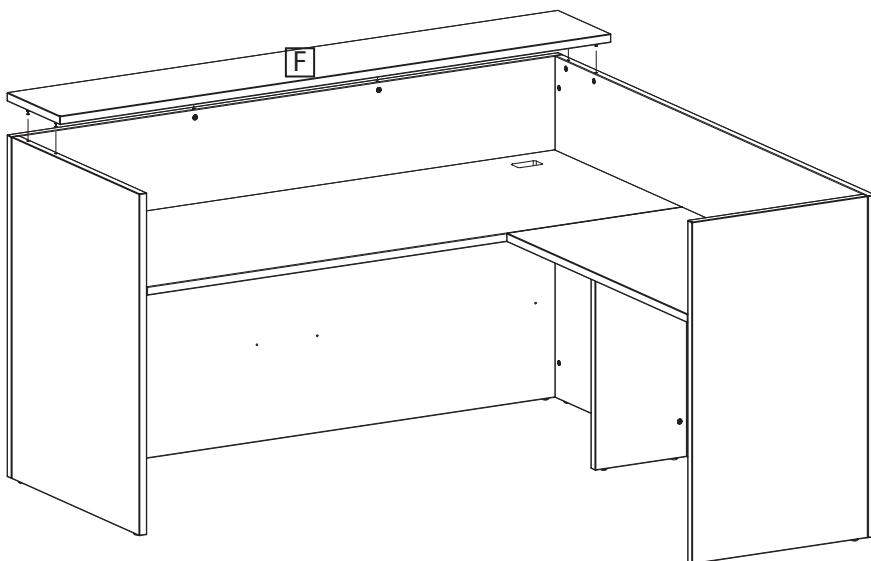

## STEP 6

To connect the desk and return insert green lockdowels into the edge of the desk top. Line lockdowels with the slots in the return back. Slide the return back into the desk back. Fasten pins and cams.

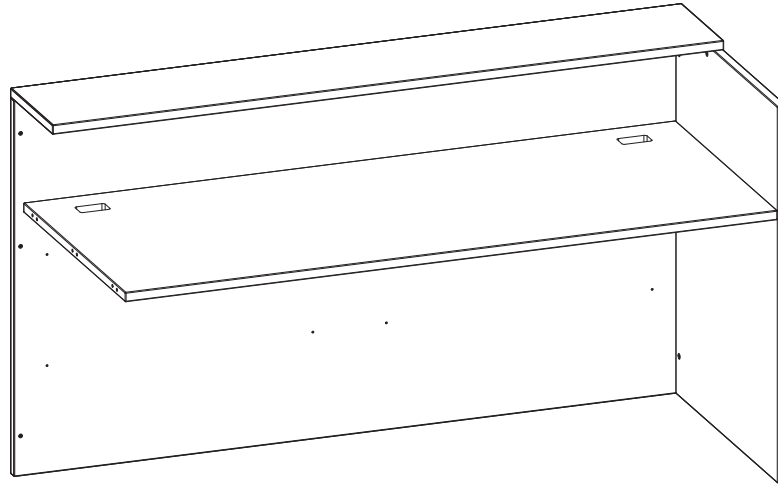

## STEP 7

Attach transaction top **F** to desk back. Fasten pins and cams.

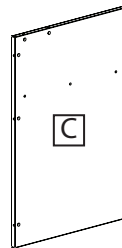

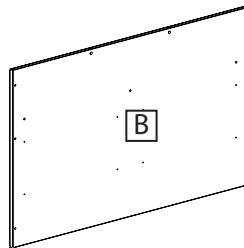

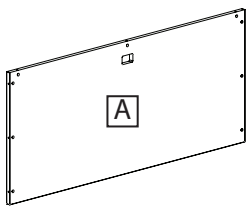

## STEP 8

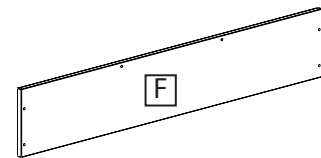

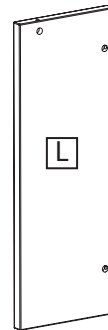

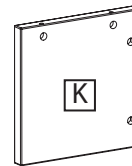

See W-01R - Return instructions to finish off assembly of L shape.
